Remember flexibility is more important than perfection. You are not locked into your initial selections. You can always modify to meet your needs .

1

Identify your top ride priorities before booking

2

Book the hardest-to-get attractions first (highlighted options below)

TIP: If staying at a Disney resort hotel or select hotels, try to book your furthest park days out first - especially Magic Kingdom® or Hollywood Studios® park days

Avoid These Common Mistakes

- No priority list
- Not modifying return times
- Holding late times all day
- No backup plan
- Not being aware of the weather forecast
- Not being aware of ride proximities

3

Aim to secure morning times - before Noon, if possible

4

Modify return times throughout the booking process to fit your schedule
